THE POWER OF GOOGLE IN YOUR CLASSROOM

newline

Google Apps Pre-Loaded   **4K Ultra-High Definition**   **Chrome OS**   **Built-in WiFi**   **Access to Google Play Store**   **Google Mobile Services Certification**

Turn your Newline interactive touch display into a giant Chromebook with the Newline Chromebox. Connect to your display with just an HDMI cable and gain access to the full power of Google in your clasroom.

The Newline Chromebox is connected to the Google Play Store, giving you access to thousands of apps to keep your students engaged during lessons. Google's suite of apps, such as Google Classroom, Slides, and more come pre-loaded, letting you plug in the first time and immediately acces what you need. The Chrome OS is familiar and easy for anyone to use.

4K Ultra-high definition playback brings your content to life. Built-in WiFi makes setup easy - no need to fight with a complicated setup.

Everything you need to bring Google to your classroom in one convenient and powerful Newline Chromebox.

Chromebox

Use all the latest Google apps - now in 4K!
