Newline introduces an all new interactive ecosystem powered by an innovative set of digital tools. This intelligent and flexible workspace helps you work more efficient, faster and better. With Newline at the heart of every workplace or classroom, meetings, lessons, conference calls and collaboration sessions are brought to a whole new level.

CONNECT. CREATE. COLLABORATE.
WHY NEWLINE?

We believe that truly successful and innovative products should be easy for anyone to use. Each product Newline has introduced follows our principle of simplicity, making each interactive flat panel user-friendly and completely non-proprietary.

Over the years, our goal hasn’t changed. We are dedicated to providing solutions for our customers that save them time and help them be more successful. From our award-winning interactive displays to our innovative whiteboarding software, our products combine cutting-edge technology with a state-of-the-art user experience.

Founded to develop interactive solutions that are:

Easy for anyone to walk up and use.
If a solution isn’t easy to use, we won’t bring it to the market. All of our products are designed with you in mind and it is the key to our success.

Completely Non-Proprietary
We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

FROM OUR CUSTOMERS....

“With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand.”

Tom Eifler, Jr.
President, Eifler Advisory Group

“TRUTOUCH from Newline has significantly improved communication with our clients. The more clear our communication, the stronger relationships we build to grow our business.”

Jay Arbetter
Senior, Vice Principal, UBS Financial

“The 28 Newline touchscreens have been instrumental in setting the immersive tone at the National Flight Academy. Our students depend on these touchscreens as they plan, brief and coordinate each of their missions. During the 2017 Summer, over 1600 students used these 28 Newline touchscreens and the National Flight Academy has been extremely pleased with their performance.”
