X Series

X SERIES THE UNMATCHED ALL-IN-ONE UNIFIED COLLABORATION SOLUTION

The X Series features an all-in-one solution for collaboration that is immersive, unified and effective. X Series is designed to make your meetings more efficient. The two built-in 1080p wide-angle cameras let you be seen from anywhere in the room. The microphone array reduces noise and cancels echo. Your voice can be heard clearly. Advanced InGlass touch enables responsive touch for a smooth and intuitive writing experience as natural as writing on paper. Optical bonding gives you an ultra-wide 178° viewing angle. No matter where you sit in the room, the image is robust and clear.

X Series allows you to meet, conference and collaborate without limitations. Share voice, video, data and annotations. Work in documents simultaneously as if you were in the same room with the people in the conference call. With the instant digital discussion board and on-screen annotation tool you never let an idea slip away.
