Connect. Create. Collaborate.

THE INTERACTIVE **ECOSYSTEM** FOR YOUR WORKPLACE

Newline introduces an all new interactive ecosystem powered by an innovative set of digital tools. This intelligent and flexible workspace helps you work more efficient, faster and better. With Newline at the heart of every workplace or classroom, meetings, lessons, conference calls and collaboration sessions are brought to a whole new level.

CONNECT. CREATE. COLLABORATE.

WHY NEWLINE?

We believe that truly successful and innovative products should be easy for anyone to use. Each product Newline has introduced follows our principle of simplicity, making each interactive flat panel user-friendly and completely non-proprietary.

Over the years, our goal hasn't changed. We are dedicated to providing solutions for our customers that save them time and help them be more successful. From our award-winning interactive displays to our innovative whiteboarding software, our products combine cutting-edge technology with a state-of-the-art user experience.

Founded to develop interactive solutions that are:

Easy for anyone to walk up and use.

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

Completely Non-Proprietary

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

NEWLINE INTERACTIVE DISPLAYS

SUPERIOR QUALITY FOR THE BEST EXPERIENCE

The driving power behind the Newline interactive ecosystem is a full range of superior interactive displays. We have designed our interactive displays to suit every workplace. From meeting room to classroom, from huddle space to office. All executed with brilliant UHD picture quality and intuitive writing experience up to 98" to amaze your audience. Find out which display best suits your needs.

NEWLINE SOFTWARE SOLUTIONS

SOFTWARE TO TRANSFORM YOUR WORKPLACE

Newline Interactive offers several software solutions seamlessly integrated into the full range of our superior interactive displays. These intelligent tools help you work better, smarter, and faster. Raise the level of communication and collaboration with Newline at the heart of every collaboration space.

newline CAST

WIRELESS SCREEN SHARING

Easily share your screen from any device. Newline Cast is simple to use, with one click you can present wirelessly from any network. Control and annotate from the Newline display or from your own device all with the freedom to walk around the room.

newline BROADCAST

CONTENT SHARING TO LARGE CLASSROOMS

Tap one button and share your display screen with team members who may not be able to see the display clearly. They can follow along on their own personal screen, reducing eyestrain and making sure everyone gets the most out of the meeting and presentation.

newline WORKSPACE

COLLABORATION-FOCUSED WHITEBOARD

Stop switching between 5 different applications and use an all-in-one digital whiteboard to take notes and present lesson slideshows. Import documents that you can edit with students in real-time, or video call remote students directly into your workspace.

newline DISPLAY MANAGEMENT

REMOTE DISPLAY MANAGEMENT

Centrally manage your Newline interactive displays in any location through a secure and dedicated web portal. Easily manage and deploy apps, configure Newline display settings, use the digital signage features or broadcast messages to all displays.

newline LAUNCH CONTROL

ALL-IN-ONE SECURE MEETING SOLUTION

Walk up and start your meetings with a one-touch solution that keeps your computer and network secure. Easily access approved apps, view the room's calendar, and start a videoconferencing call - all with one button!

NEWLINE COMPUTER SOLUTIONS

PLUG AND PLAY COMPUTERS FOR YOUR DISPLAY

Collaboration and work is ever-changing. Support your team and your meeting spaces with computers that empower your interactive solutions and make collaboration easier and working together more engaging.

Fill your display's OPS slot with an on-board computer powered by Intel that brings you all the power of a desktop computer built right into your display. Customize your OPS with our selection of options to find the best fit for your needs.

NEWLINE MOUNTING SOLUTIONS

ACCESSORIES THAT MAKE WORK EASY

Support your ever-changing workspace with reliable products that support Newline's innovative designs. Mount your panel to a wall or choose a more mobile mounting solution.

Wall Mounts

STURDY AND RELIABLE

Keep your display sturdy on the wall with the standard Newline wall mount. The light, compact design makes it easy to install while providing strength and durability for all sizes of panels from 55" to 98".

Mobile Stands

COLLABORATION WITH MOBILITY

Take your Newline interactive display anywhere in your space with a Mobile Stand. Unlike wall mounting, the mobile stand leaves you free to place the display anywhere in the room you like, or take it from space to space.

Newline works with several partners to provide mobile stands.

SERVICE, WARRANTY, & TRAINING

Newline's commitment to quality and your organization's success extends past the initial purchase. We provide:

On-Demand Technical Support

Newline provides continuous U.S. based technical phone support, email support through our Helpdesk Ticket System, and remote desktop support. You will always have an answer at your fingertips by using our online support knowledgebase.

Be in control of finding the answer to any question, any time, with our completely comprehensive self-help system.

Advanced Replacement Warranty

Training Geared for Ease of Use

One of the most important factors in achieving success is having a team that is knowledgeable and comfortable with technology.

Newline provides quality instructional training opportunities for all staff to meet the needs of a growing and changing workforce. The easier our display is for your team to use effectively, the more you can succeed.

FROM OUR CUSTOMERS....

"With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand."

Tom Eifler, Jr.
President, Eifler Advisory Group

"TRU TOUCH from Newline has significantly improved communication with our clients. The more clear our communication, the stronger relationships we build to grow our business."

Jay Arbetter
Senior, Vice President, UBS Financial

"The 28 Newline touchscreens have been instrumental in setting the immersive tone at the National Flight Academy. Our students depend on these touchscreens as they plan, brief and coordinate each of their missions."

During the 2017 Summer, over 1600 students used these 28 Newline touchscreens and the National Flight Academy has been extremely pleased with their performance."

John O'Hara
Director of Technology, National Flight Academy
