# DISCOVER NEWLINE'S INTERACTIVE **ECOSYSTEM**

Make optimum use of the available digital content, apps and devices in your classroom through our all-new and easy to use interactive ecosystem.

As modern classrooms rapidly evolve, more and more systems, solutions, tools and digital content arise. It's up to the teacher to find a way in this digital jungle. The challenge becomes how to make optimum use of curriculum content in combination with supporting digital content, apps, devices in the classroom and content from students.

Another challenge is how to keep students engaged. Ease of use and flexibility are key to connect all of this together and orchestrate the lesson to your preference. Newline has developed an interactive ecosystem that contains simple to use software tools. Discover Newline's interactive ecosystem and experience how you can retain more control over the digital jungle in your classroom!
