Easily Share Your Screen From Any Device

Free yourself from the front of the classroom! Wirelessly cast to your TRU TOUCH interactive display with Newline Cast - the new wireless presentation solution from Newline Interactive.

With one click, connect your smartphone, laptop, or tablet to the display, sharing your screen where every student in the room can see. Students can digitally line up to share the content from their screens as well, to show off their hard work and class presentations. All without cables and without any fuss.

SIMPLE & EASY TO USE

All you need is a browser and an Internet connection. No wires, no complications.

BI-DIRECTIONAL TOUCH

Download an additional PC application and control your casted device right from the panel.

CONSISTENT CONNECTIVITY

Don't worry about network constraints - Newline Cast provides a consistent connection across your devices.

INTERACT YOUR WAY

Works with all platforms, including:

and more!

THE BEST PART? IT'S **FREE** WITH ALL NEWLINE TRU TOUCH PURCHASES!
