

The image shows a classroom with several children. In the foreground, a boy with curly hair is smiling and raising his right hand, holding a yellow pencil. To his left, a girl is also smiling and pointing upwards. Other children in the background are also raising their hands. The scene is overlaid with a large, colorful geometric pattern of triangles in shades of red, orange, purple, and teal. A dashed blue line with an arrowhead points from the pattern towards the boy in the foreground.

# NEWLINE SOFTWARE SOLUTIONS

## SOFTWARE TO TRANSFORM YOUR CLASSROOM

Newline Interactive offers several software solutions seamlessly integrated into the full range of our superior interactive displays. These intelligent tools help you connect with your students better, smarter, and faster.

Built for the digital age, these solutions allow you to easily start your lessons and get more students actively involved in class. Wirelessly cast mobile screens to the display, broadcast content to everyone's devices, whiteboard and collaborate with students in real-time, apply mass notifications and centrally manage all of the displays on your network.

With Newline at the heart of every classroom, all of your lessons are raised to a higher level of communication and student engagement.

All Newline Software Solutions are compatible with:

## newline CAST

### WIRELESS SCREEN SHARING

Easily share your screen from any device. Newline Cast is simple to use, with one click you can present wirelessly from any network. Control and annotate from the Newline display or from your own device all with the freedom to walk around the room.

## newline DISPLAY MANAGEMENT PLUS

### REMOTE DISPLAY MANAGEMENT

Centrally manage your Newline interactive displays in any location through a secure and dedicated web portal. Easily manage and deploy apps, configure Newline display settings, use the digital signage features or broadcast messages to all displays.

## newline BROADCAST

### CONTENT SHARING TO LARGE CLASSROOMS

Tap one button and share your display screen with the students who may not be able to see the display as clearly. They can follow along with the lesson on their own personal screen, reducing eyestrain and making sure everyone gets the most out of the day's lesson.

# NEWLINE COMPUTER SOLUTIONS

## PLUG AND PLAY COMPUTERS FOR YOUR DISPLAY

Education is ever-changing. Support your campus and classrooms with computers that empower your interactive solutions to make teaching easier and learning more engaging.

Fill your display's OPS slot with an on-board computer powered by Intel that brings you all the power of a desktop computer. No more worrying about cables or going through the steps of connecting a laptop or desktop directly to the display.

# NEWLINE WALL MOUNT SOLUTIONS

## MOBILIZING EDUCATION

Mount your display to the front of your classroom with a wall mount. Sturdy wall mounts let you keep any size panel easily visible on the front of your room.

Keep your display sturdy on the wall with the standard Newline wall mount. The light, compact design makes it easy to install while providing strength and durability.

# NEWLINE MOBILE STAND SOLUTIONS

## MOBILIZING EDUCATION

Take your Newline interactive display anywhere on campus with a Mobile Stand. A mobile stand leaves you free to place the display anywhere in the room you like, or take it from classroom to classroom.

Adjust the height of your display so that your students can touch and interact directly with the screen.

# NEWLINE'S CUSTOMERS

DON'T JUST TAKE OUR WORD FOR IT...

"I have been absolutely blown away by the quality and features of the product! Adding the TRUTOUCH system capabilities to our classroom has made a lasting, permanent and positive impact on the educational experience at our school!"

**Steve Doughty**  
Eisenhower Middle School

"Using the TRUTOUCH system allows the students to show their work on a larger surface, annotate anything that they need to make changes on, and it involves a group setting."

**Kelley Watson**  
MacArthur High School Entrepreneurship Program

"Our TRUTOUCHs are very easy to use and that means more teachers and students are really using them! We are so pleased that we have these tools in our classrooms!"

**Karina Garcia**  
St Bernard of Clarivaux Catholic School

"Newline has enabled us to provide a seamless experience to kids without interference. The panels are not in the way, they are part of the process. All of our teachers have found their niche and love how easy it is to use the panel."

**Ed Kemnitzer**  
East Williston School District

"Newline is the heart and soul of our classroom ecosystem. Our teachers now deliver instruction from their interactive panel that is joined to our interactive online videoconferencing system. By adding webcams into our classroom, they can now teach the students in-person and at home at the exact same time all within the ecosystem that they were presenting in normally."

**Kyle Berger**  
Grapevine-Colleyville Independent School District

"We chose the TRUTOUCH from Newline after trying out a couple options. All our classrooms have SMARTboards but as the older ones were needing replacing, it was clear it was time to move to another device. As a G Suite district and invested in Chromebooks, the TRUTOUCH was a clear winning choice. The Chrome compatibility, advanced features, and their support have made this a real winner for the classrooms in our district."

**David Flynn**  
Macon County School System

"Newline's products are engaging our students in classrooms across the Diocese and our teachers love them for their ease-of-use. We also value the level of tech support and onsite training Newline provides whenever we need it."

**Cynthia Herndon**  
Roman Catholic Diocese of Dallas
