THE INTERACTIVE **ECOSYSTEM** FOR YOUR WORKPLACE

Newline introduces an all new interactive ecosystem powered by an innovative set of digital tools. This intelligent and flexible workspace helps you work more efficient, faster and better. With Newline at the heart of every workplace, meeting rooms, conference calls and collaboration sessions are brought to a whole new level.

We believe that truly successful and innovative products should be easy for anyone to use. Each product Newline has introduced follows our principle of simplicity, making each interactive flat panel user-friendly and completely non-proprietary.

Over the years, our goal hasn't changed. We are dedicated to providing solutions for our customers that save them time and help them be more successful. From our award-winning interactive displays to our innovative whiteboarding software, our products combine cutting-edge technology with a state-of-the-art user experience.

Easy for anyone to walk up and use.

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

Completely Non-Proprietary

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

NEWLINE INTERACTIVE & COMMERCIAL DISPLAYS

SUPERIOR QUALITY FOR THE BEST EXPERIENCE

The driving power behind the Newline interactive ecosystem is a full range of superior interactive displays. We have designed our interactive displays to suit every workplace. From meeting room to classroom, from huddle space to office. All executed with brilliant UHD picture quality and intuitive writing experience up to 98" to amaze your audience. Find out which display best suits your needs.

NEWLINE INTERACTIVE & COMMERCIAL DISPLAYS

SUPERIOR QUALITY FOR THE BEST EXPERIENCE

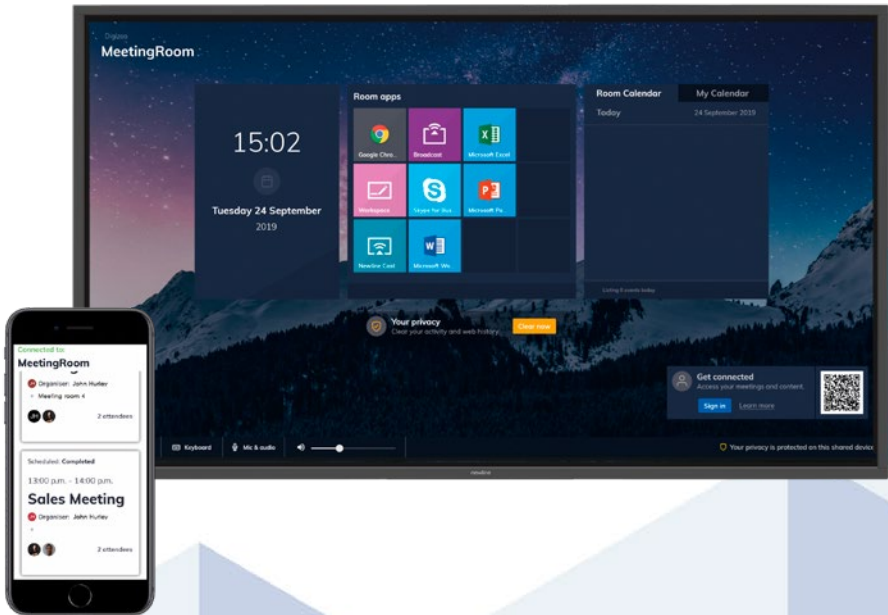

Newline Interactive offers several software solutions seamlessly integrated into the full range of our superior interactive displays. These intelligent tools help you work better, smarter, and faster. Raise the level of communication and collaboration with Newline at the heart of every collaboration space.

newline LAUNCH CONTROL

ALL-IN-ONE SECURE MEETING SOLUTION

Walk up and start your meetings with a one-touch solution that keeps your computer and network secure. Easily access approved apps, view the room's calendar, and start a videoconferencing call - all with one button!

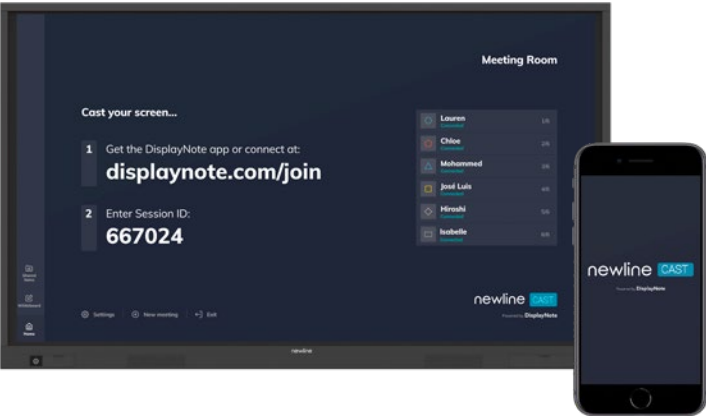

Launch Control supports:

newline CAST

WIRELESS SCREEN SHARING

Easily share your screen from any device. Newline Cast is simple to use, with one click you can present wirelessly from any network. Control and annotate from the Newline display or from your own device all with the freedom to walk around the room.

newline DISPLAY MANAGEMENT PLUS

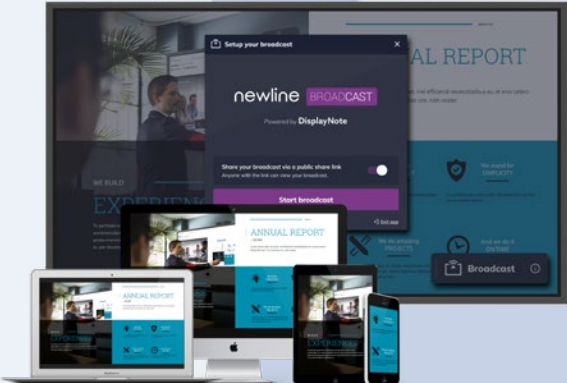

REMOTE DISPLAY MANAGEMENT

Centrally manage your Newline interactive displays in any location through a secure and dedicated web portal. Easily manage and deploy apps, configure Newline display settings, use the digital signage features or broadcast messages to all displays.

newline BROADCAST

CONTENT SHARING TO LARGE AUDIENCES

Tap one button and share your display screen with team members who may not be able to see the display clearly. They can follow along on their own personal screen, reducing eyestrain and making sure everyone gets the most out of the meeting and presentation.

All Newline Software Solutions are compatible with:

NEWLINE COMPUTER SOLUTIONS

PLUG AND PLAY COMPUTERS FOR YOUR DISPLAY

Collaboration and work is ever-changing. Support your team and your meeting spaces with computers that empower your interactive solutions and make collaboration easier and working together more engaging.

Fill your display's OPS slot with an on-board computer powered by Intel that brings you all the power of a desktop computer built right into your display. Customize your OPS with our selection of options to find the best fit for your needs.

NEWLINE ACCESSORIES

Support your ever-changing workspace with reliable products that support Newline's innovative designs. Mount your panel to a wall or choose a more mobile mounting solution.

Wall Mounts

STURDY AND RELIABLE

Keep your display sturdy on the wall with the standard Newline wall mount. The light, compact design makes it easy to install while providing strength and durability for all sizes of panels from 55" to 98".

Mobile Stands

MOBILIZING COLLABORATION

Take your Newline interactive display anywhere in your office with one of our Mobile Stands. Unlike wall mounting, a mobile stand grants you more freedom to place the display anywhere in the room you like - or take your display from conference room to conferenceroom.

ACCESSORIES PARTNERS

Newline partners with a variety of different mobile stand and wall mount providers to help you find the best fit for your needs.

NEWLINE'S SERVICE & WARRANTY

Newline's commitment to quality and your organization's success extends past the initial purchase. We provide lifetime service and support as well as a best-in-class warranty.

On-Demand Technical Support

Newline provides continuous U.S. based technical phone support, email support through our Helpdesk Ticket System, and remote desktop support. You will always have an answer at your fingertips by using our online support knowledgebase.

Be in control of finding the answer to any question, any time, with our completely comprehensive self-help system.

Advanced Replacement Warranty

3 Year All Inclusive Warranty

Two-Way Free RMA Shipping

Always Advanced Replacement

NEWLINE'S FREE TRAINING

Our training is always free. Whether in-person or virtual, our superior training gets your team up to speed.

Training Geared for Ease of Use

One of the most important factors in achieving success is having a team that is knowledgeable and comfortable with technology.

Newline provides quality instructional training opportunities for all staff to meet the needs of a growing and changing workforce. The easier our display is for your team to use effectively, the more you can succeed.

Virtual Trainings Available

NEWLINE'S PARTNERSHIPS

Newline is committed to providing the best user experience possible, and sometimes we can't do everything ourselves. So we partner with other great technology companies to create innovative products that make using our interactive solutions easier than ever!

A Bundle for the Virtual World

With the need for remote meetings increasing, your team will need a UC-ready solution. Logitech provides camera and microphone options that easily integrate with all of Newline's touch solutions.

Powerful On-Board Computers

Newline's X Series is an Intel approved Market Ready Solution that provides customers with an all-in-one videoconferencing solution. Our OPS On-Board Computers come with powerful Intel processors.

Plug, Play, Display

Newline and Crestron have teamed up to bring you the complete solution for your interactive display. Crestron's NVX series pairs well with Newline's IP series displays. In fact, it's Crestron NVX certified!

Microsoft Windows Whiteboard leverages the power of touch through Newline to bring lessons and whiteboarding sessions to life.

FlatFrog's InGlass Technology powers several of Newline displays for a seamless and natural writing experience.

Adjust your Newline display with BalanceBox's options for wall mounts and mobile stands, some even motorized.

Free your Newline display from the wall by putting it on one of Conen's several mobile stand options.

Peerless-AV provides industry leading fixed mount and mobile stand solutions designed to improve your Newline experience.

Google and Newline worked together to create the Newline Chromebox A10, a Google-powered panel accessory.

Provide financing solutions to your Newline customers through TEQlease, giving additional purchasing options.

Enhance your Newline interactive touch display with a versatile Mooreco mobile cart solution to provide you mobility.

Find a great, stylish AV setup with Salamander, who create a variety of mounting solutions to hold your display.

T1V provides a hardware wireless casting solution, along with other multi-touch applications that work with Newline displays.

FROM OUR CUSTOMERS

“The 28 Newline touchscreens have been instrumental in setting the immersive tone at the National Flight Academy. Our students depend on these touchscreens as they plan, brief and coordinate each of their missions. The National Flight Academy has been extremely pleased with their performance.”

John O'Hara
Director of Technology, National Flight Academy

“With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand.”

Tom Eifler, Jr.
President, Eifler Advisory Group

“Newline panels provide a consistent, high-quality conference room and video conference experience for our employees that is simple to use”

Eric Matthews
Director of Information Technology, City of Allen

“Newline has significantly improved communication with our clients. The more clear our communication, the stronger relationships we build to grow our business.”

Jay Arbetter
Senior Vice President, UBS Financial
