NEWLINE ACCESSORIES & SOFTWARE

Support your ever-changing workspace with reliable products that support Newline's innovative designs. Mount your panel to a wall or choose a more mobile mounting solution. Newline Interactive also offers several software solutions seamlessly integrated into the full range of our superior interactive displays.

Wall Mounts

STURDY AND RELIABLE

Keep your display sturdy on the wall with the standard Newline wall mount. The light, compact design makes it easy to install while providing strength and durability for all sizes of panels from 55" to 98".

Mobile Stands

MOBILIZING COLLABORATION

Take your Newline interactive display anywhere in your office with one of our Mobile Stands. Unlike wall mounting, a mobile stand grants you more freedom to place the display anywhere in the room you like - or take your display from conference room to conferenceroom.

newline **CAST**

WIRELESS SCREEN SHARING

Easily share your screen from any device. Newline Cast is simple to use, with one click you can present wirelessly from any network. Control and annotate from the Newline display or from your own device all with the freedom to walk around the room.

newline **DISPLAY MANAGEMENT PLUS**

REMOTE DISPLAY MANAGEMENT

Centrally manage your Newline interactive displays in any location through a secure and dedicated web portal. Easily manage and deploy apps, configure Newline display settings, use the digital signage features or broadcast messages to all displays.

newline **BROADCAST**

CONTENT SHARING TO LARGE AUDIENCES

Tap one button and share your display screen with team members who may not be able to see the display clearly. They can follow along on their own personal screen, reducing eyestrain and making sure everyone gets the most out of the meeting and presentation.

FROM OUR CUSTOMERS

"The 28 Newline touchscreens have been instrumental in setting the immersive tone at the National Flight Academy. Our students depend on these touchscreens as they plan, brief and coordinate each of their missions. The National Flight Academy has been extremely pleased with their performance."

John O'Hara

Director of Technology, National Flight Academy

"With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand."

Tom Eifler, Jr.

President, Eifler Advisory Group

"Newline panels provide a consistent, high-quality conference room and video conference experience for our employees that is simple to use"

Eric Matthews

Director of Information Technology, City of Allen

"Newline has significantly improved communication with our clients. The more clear our communication, the stronger relationships we build to grow our business."

Jay Arbetter

Senior Vice President, UBS Financial
