LARGE-SCALE COLLABORATION FOR EFFECTIVE AND STREAMLINED MEETINGS

The NT Series is an innovative non-touch display designed for large-scale collaboration. Created with your team's needs in mind, it's built to bring you all the collaborative tools a TV screen lacks. Easily access your files from the cloud directly on the display. Cast your own device onto the big screen wirelessly for seamless collaboration and smooth presentations. Broadcast the big screen in real-time to any participant connected, no matter where they are. Streamline your meetings, conferences, presentations and lessons by focusing on just the tools you need to succeed.

Newline NT Series features the following optional interactive ecosystem tools:
