THE UNMATCHED ALL-IN-ONE UNIFIED COLLABORATION SOLUTION

The PTC Series is an all-in-one UHD solution for collaboration that is immersive, unified and effective. P-Cap touch technology enables a more accurate, responsive touch for a smooth and intuitive writing experience as natural as writing on a paper. The unique Optical Bonding technology reduces light reflection and parallax effect to provide the best visual experience possible.

PTC Series is the pioneer of workspace innovation, maximizing the efficiency of meetings and discussions. Share files, ideas and notes remotely and seamlessly with the tools you prefer and the devices you have, and never let another idea slip away. Join the workstyle revolution with Newline PTC Series and embrace new ways of engagement and collaboration.

Ideal for corporate environments that require video conference capabilities.
