## WALL MOUNT

### **SOLUZIONI ROBUSTE** PER L'USO QUOTIDIANO

Mount your display to the wall. Install your display in the office with a wall mount. These solutions help you keep the panel in a safe and correct position during daily use. Newline wall mount solutions make installation simple and fast. Compact design facilitates panel mounting and display height or tilt adjustment. These wall mounts have a slim profile, giving the unit an elegant look while maintaining the strength of its reinforced steel frame. The wall plate offers space for cable management. It can be moved by hand, without the need for tools.
