### SIMPLE, SMART AND SECURE **SCREEN SHARING**

Newline Cast is the most flexible solution for wireless screen sharing and is integrated in all Newline interactive displays. In just seconds you can easily share any screen across any network or use the secure mode for in-room casting.

A truly hassle-free solution that allows multiple presenters to share screen, video, links and files. Newline Cast allows you to share your screen from anywhere in the room. Bring your meetings to life with the number one web based casting solution in the world!

Presenter Mode

Compatible with all Devices

Share Files

Moderator Mode

Two-Way Collaboration

Enterprise Level Security

#### **MUCH MORE THAN JUST CASTING!**

Grid view lets you see up to 4 streams to quickly compare work. With moderator mode you can control the streaming. This complete casting solution comes with two-way screen annotation, whiteboard, file sharing and much more.

Support for all devices and streaming protocols:
