ALL-IN-ONE CAMERA AND MICROPHONE SOLUTION

Be UC-ready in a flash by adding the ultra-high-definition Newline 4K ModCam+ to all Newline displays. The tiltable camera design of the ModCam+ offers a wide-angle Field of View and AI powered Auto-Framing and can be controlled via infrared remote control. With two built-in microphones, the ModCam+ picks up clear, high-quality sound without the need for separate mic array. The Newline 4K ModCam+ works with video conferencing software like Zoom, Google Meet, Microsoft Teams, Webex, and more. Whether connecting to your remote students in your classroom or hosting virtual meetings with your team, the Newline 4K ModCam+ is here to boost your videoconferencing with a professional style.
