THE INTERACTIVE **ECOSYSTEM** FOR YOUR WORKPLACE

Welcome to the Newline Display Ecosystem, a comprehensive suite of audio-visual technology solutions designed to enhance collaboration and productivity. This intelligent and flexible workspace helps you work more efficiently, faster and better. With the option to build your technology ecosystem or integrate with your current system—Newline streamlines your workplace technology.

We believe that truly impactful and innovative products should be easy for anyone to use. Each Newline solution was purpose-built with simplicity in mind, making each product user-friendly and completely non-proprietary.

The work landscape may be constantly evolving, but our commitment to your success by providing solutions to your everyday needs will never change. From our award-winning interactive displays and desktop devices, to our cutting-edge software and accessories—Newline is the premier technology partner for your business.

TRANSFORM YOUR WORKPLACE

Newline is a one-stop shop for business. Our all-in-one solutions and accessories give you all the innovative tools you need.

Newline focuses on creating products that help you work more efficiently. From our award-winning and easy-to-use interactive touch panels, to our innovative desktop solution and wide range of software, Newline has everything you need to bring success into your business.

Easy for Anyone to Use

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

Completely Non-Proprietary

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

Newline is Number 1!

Newline is the largest manufacturer of interactive displays in the United States. Our business model keeps us growing like none other.

***"We Help Your Business
Make an Impact"***

We Own the Factory

Newline has complete control over product improvements and how much is produced. We listen to our clients and their needs to make sure the products we provide help them succeed.

Well-Stocked Local Warehouses

With warehouses in strategic places across the country, Newline gets displays to their destination faster than ever with same and next day shipping. You'll never have to worry about if Newline can fill an order.

Newline + Merlyn AI

Leverage the Power of Generative AI

Leverage the power of Merlyn's generative AI during collaborative sessions and business meetings to deliver text and images that enhances engagement and provides intelligent content generation.

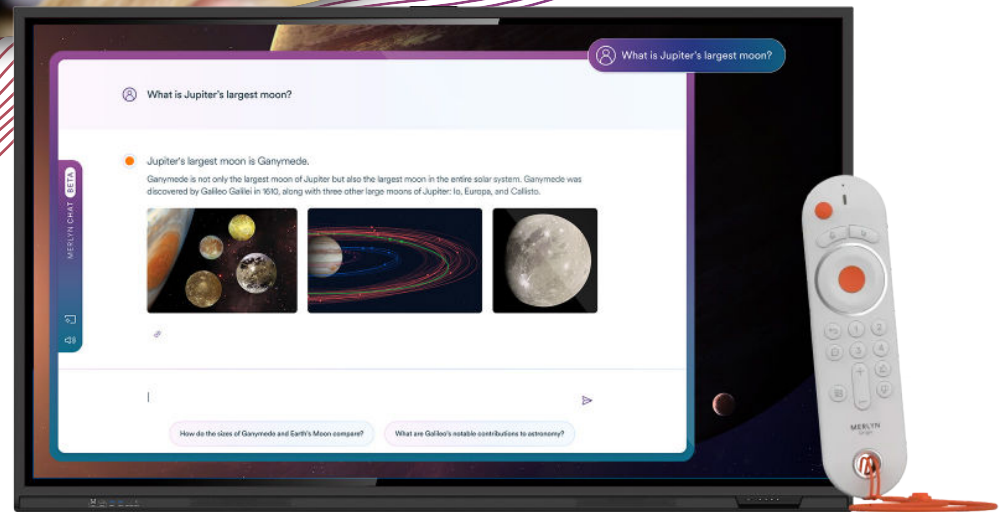

Control with Your Voice

Using the power of Merlyn AI and natural language voice commands, users can access all of the Newline features they know and love from anywhere in the room.

Safe, Secure and Private

Merlyn AI is built on the first LLM designed specifically for education, so you can be confident content is pulled from vetted educational content and resources, not off the internet.

NEW! With the power of Merlyn AI, Newline's interactive panels are easier to use than ever! The Newline Q and Q Pro Series interactive panels with Merlyn AI allows users to control their panels with only their voice and leverage the power of generative AI to deliver text and images to the panel as if by magic.

ON-BOARD COMPUTERS

Plug & Play Computers for Your Display

Upgrade your operating system with a dedicated on-board computer. Bypass connecting or casting a laptop with the integrated OPS. Fill your display's OPS slot with an on-board computer that brings you all the power of a desktop computer right to your display. As your organization continues to grow and demands more power, the OPS is easily swappable for a more powerful version.

SOFTWARE SOLUTIONS

Software to Transform Workspace

Newline's dedication to providing the complete solution to the workplace needs does not stop with the hardware. Our software solutions round out the ecosystem with tools that provide superior synchronous and asynchronous communication support.

Always evolving and always updating, many of these solutions are pre-installed on the Newline flat panels.

Talk with your Newlines Sale Manager to determine the best software package for your organization's needs.

All Newline Software Solutions are compatible with:

ENGAGE CLOUD

Cloud-Based Whiteboarding

- ✓ Online, cloud-based interactive whiteboard for remote, hybrid and in-person collaboration.
- ✓ Real-time collaboration allows users to interact on a single whiteboard while easily sharing content such as PDFs, photos, audio and video.
- ✓ Device agnostic, Newline Engage Cloud works on Newline panels as well as tablets, Chromebooks, mobile phones, and more.

VISUAL COMMUNICATION SOLUTION

Digital Signage

- ✓ Newline Visual Communication Solutions powered by TSN is a digital broadcast network designed to provide unified visual communications in businesses.
- ✓ Broadcast important and engaging messages to employees and the community directly through a Newline panel without the need for a separate media player.
- ✓ Leverage your Newline display for all your digital signage and visual communication needs.

LAUNCH CONTROL

All-In-One Meeting Solution

- ✓ Walk up and start your meetings with a one-touch solution that keeps your computer and network secure.
- ✓ Easily access approved apps, view the room's calendar, and start a videoconferencing call - all with one button!

Launch Control supports:

DISPLAY MANAGEMENT PLUS

Remote Management

- ✓ Centrally manage your Newline interactive displays from any location through a secure and dedicated web portal.
- ✓ Easily manage and deploy apps and configure Newline display settings.
- ✓ Use the digital signage features or broadcast messages to all displays.

CAST

Wireless Screen Sharing

- ✓ Easily share your screen from any device.
- ✓ Newline Cast is simple to use, with one click you can present wirelessly from any network.
- ✓ Control and annotate from the Newline display or from your own device all with the freedom to walk around the room.
- ✓ Present up to 4 screens simultaneously.

BROADCAST

Content Sharing

- ✓ Tap one button and share your display screen with team members who may not be able to see the display clearly.
- ✓ They can follow along on their own personal screen, reducing eyestrain and making sure everyone gets the most out of the meeting and presentation.

OUR SERVICE GUARANTEE

Newline's commitment to quality service and your organization's success extends past the initial purchase. We provide lifetime service, free training, and world-class technical support as well as a best-in-class warranty.

On Demand Technical Support

Newline provides continuous U.S. based technical phone support, email support through our Helpdesk Ticket System, and remote desktop support. You will always have access to answers at our online support knowledgebase. Proactively find answers, any time, with our completely comprehensive self-help system.

Training Geared Towards Ease of Use

Protect your investment through training and ensure staff are comfortable with the technology. Newline provides free, quality instructional training opportunities for all staff. The easier our display is for your team to use effectively, the more you can succeed.

Advanced Replacement Warranty

Newline has one of the best warranty programs in the industry. Not only do we provide 3-years of coverage, but it is an all inclusive advanced replacement warranty. That way your progress and productivity is not affected by technology defects.

Virtual & In-Person Demo Scheduling

Our training team works with your schedule and limitations. If you require someone to be onsite or virtual, our team makes it work! Simply select an available time on the online scheduler.

OUR PARTNERSHIPS

Newline is committed to providing the best user experience possible, which includes partnering with the best technology companies. We are proud to sell innovative products that incorporate their expertise to make interactivity easier than ever!

A Partnership for Education

Newline is proud to be named a Google for Education Partner, leveraging the Newline Engage Cloud software with Google Cloud to deliver collaboration solutions for businesses and schools.

Powerful On-Board Computers

Newline's OPS On-Board Computers come with powerful Intel processors, providing customers with an all-in-one computing solution.

A Bundle for the Virtual World

Microsoft Windows Whiteboard leverages the power of touch to bring lessons and whiteboarding sessions to life.

Logitech provides camera and microphone options that easily integrate with all of Newline's touch solutions.

Newline and Crestron have teamed up to bring you the complete solution for your interactive displays.

Clickshare is an agnostic meeting solution for starting video calls from your laptop, working with all UC clients.

Adjust your Newline display with BalanceBox's options for wall mounts and mobile stands, some even motorized.

The versatile, configurable and durable Anywhere Cart mobile stands provide high quality classroom solutions. Fits up to 86" Newline displays.

Enhance your Newline interactive touch display with a versatile Mooreco mobile cart solution to provide you mobility.

Provide financing solutions to your Newline customers through TEQlease, giving additional purchasing options.

MERLYN MIND

Merlyn Mind's in-classroom generative AI chat rewards student curiosity, encourages higher-order thinking, and makes students excited about learning.

The leader in Visual Communication for schools & districts, higher education, and businesses, TSN helps connect your organization through visual communication and engagement.

Coirle provides teachers with an intuitive platform to use, create, share, and deliver dynamic, interactive activities that will engage, motivate, and inspire students.

Legrand | AV offers audiovisual products including flat panel mounting solutions, projector mounts and more to Commercial AV markets.

Peerless-AV provides industry leading fixed mount and mobile stand solutions designed to improve your Newline experience.

DisplayNote

DisplayNote is a leading technology company that creates intelligent collaboration solutions for education and enterprise.

FROM OUR CUSTOMERS

John O'Hara
Director of Technology
National Flight Academy

"The 28 Newline touchscreens have been instrumental in setting the immersive tone at the National Flight Academy. Our students depend on these touchscreens as they plan, brief and coordinate each of their missions. The National Flight Academy has been extremely pleased with their performance."

Tom Eifler, Jr.
President
Eifler Advisory Group

"With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand."

Eric Matthews
Director of Information Technology
City of Allen

"Newline panels provide a consistent, high-quality conference room and video conference experience for our employees that is simple to use."

Jay Arbetter
Senior Vice President
UBS Financial

"Newline has significantly improved communication with our clients. The more clear our communication, the stronger relationships we build to grow our business."
