

WE HELP YOU **MAKE AN IMPACT**ON CAMPUS

Newline creates the campus tools of the future. From interactive flat panels that keep students engaged throughout the lecture, to digital tools that enhance learning, Newline creates a cohesive and adaptable technology environment for the modern campus or classroom.

Newline Interactive is an award-winning manufacturer of interactive displays, intuitive software, and other audiovisual innovations that are easy to use and increase content retention in technology aided instruction.

We are a leading provider of software and hardware that helps colleges and universities find more ways to engage their students, train their faculty, and inspire more active learning.

It is your passion to teach. Newline Interactive helps enhance the delivery.

TRANSFORM YOUR **CAMPUS**

Newline is a one-stop shop for colleges and universities. Our all-in-one solutions and accessories give you all the innovative tools you need.

Newline focuses on creating products that keep your campus running more efficitively. From our award-winning and easy-to-use interactive touch panels to our comprehensive lineup of cutting-edge LED display solutions and wide range of software, Newline has everything you need to bring success into your college or university.

Easy for Anyone to Use

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

Completely Non-Proprietary

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

Newline is Number 1!

Newline is the largest manufacturer of interactive displays in the United States. Our business model keeps us growing like none other.

2024 Q2 USA Market Share

^{*} Data provided by 2024 Futuresource Consulting Ltd

We Own the Factory

Newline has complete control over product improvements and how much is produced. We listen to our clients and their needs to make sure the products we provide help them succeed.

Well-Stocked Local Warehouses

With warehouses in strategic places across the country, Newline gets displays to their destination faster than ever with same and next day shipping. You'll never have to worry about if Newline can fill an order.

Leverage the Power of Generative Al

Leverage the power of Merlyn's generative AI during instruction to deliver text and images that rewards student curiosity and makes students of all ages excited about learning.

Control with Your Voice

Using the power of Merlyn AI and natural language voice commands, users can access all of the Newline features they know and love from anywhere in the room.

Safe, Secure and Private

Merlyn AI is built on the first LLM designed specifically for education, so you can be confident content is pulled from vetted educational content and resources, not off the internet.

NEW! With the power of Merlyn AI, Newline's interactive panels are easier to use than ever! The Newline Q and Q Pro Series interactive panels with Merlyn AI allows users to control their panels with only their voice and leverage the power of generative AI to deliver text and images to the panel as if by magic.

SOFTWARE SOLUTIONS

All Newline Software Solutions are compatible with:

Software to Transform How You Teach

Newline Interactive software completes the ecosystem and gives faculty more ways to connect with their students and manage their technology.

Built for the modern campus, these solutions allow you to connect with students no matter where they are. Wirelessly cast mobile screens to the display, broadcast content to everyone's devices, whiteboard and collaborate with students in real-time, apply mass notifications and centrally manage all of the displays on your network.

With Newline as the edtech hub of every classroom, all of your lessons are raised to a higher level of communication and student engagement.

ENGAGE CLOUD

Cloud-Based Whiteboarding

- Online, cloud-based interactive whiteboard for remote, hybrid and in-person instructional sessions.
- Classroom controls include hundreds of subjectspecific manipulatives and widgets like timers, polls, clocks, grids, handwriting recognition and more.
- Device agnostic, Newline Engage Cloud works on Newline panels as well as tablets, Chromebooks, mobile phones, and more.

VISUAL COMMUNICATION SOLUTION

Digital Signage

- Newline Visual Communication Solutions powered by TSN is a digital broadcast network designed to provide unified visual communications on campuses.
- ✓ Broadcast important and engaging messages to staff, students, and the community directly through a Newline panel without the need for a separate media player.
- √ Leverage your Newline display for all your digital signage and visual communication needs.

LAUNCH CONTROL

All-In-One Meeting Solution

- Walk up and start your meetings with a one-touch solution that keeps your computer and network secure.
- Easily access approved apps, view the room's calendar, and start a videoconferencing call - all with one button!

Launch Control supports:

DISPLAY **MANAGEMENT** PLUS

Remote Management

- Centrally manage your Newline interactive displays from any location through a secure and dedicated web portal.
- √ Easily manage and deploy learning apps and configure Newline display settings.
- ✓ Quickly update firmware and power usage across campuses.

CAST

Wireless Screen Sharing

- √ Easily share your screen from any device.
- Newline Cast is simple to use, with one click you can teach wirelessly on any network.
- √ Control and annotate your screen from the Newline display or from your own device.
- √ Activate moderator mode and cast up to 4 screens simultaneously.

BROADCAST

Content Sharing

- Tap one button and share your display screen with students who may not be able to see the display clearly.
- √ They can follow along on their own personal screen.
- Writing and page navigation is reflected on all devices.
- √ Connect from anywhere, even outside of the display's network.
- √ Perfect for the Hyflex model

OUR SERVICE GUARANTEE

Newline's commitment to quality and your school's success extends past the initial purchase. We provide lifetime service, free training, and world-cass technical support as well as a best-in-class warranty.

On Demand Technical Support

Newline provides continuous U.S. based technical phone support, email support through our Helpdesk Ticket System, and remote desktop support. You will always have access to answers at our online support knowledgebase. Proactively find answers, any time, with our completely comprehensive self-help system.

Training Geared for Ease of Use

Protect your technology investment through free training for all teachers and staff. Newline provides quality instructional training opportunities for all staff. The easier our display is for your team to use effectively, the more you can succeed. Newline's resources also include custom training emails to staff, PD training, and more.

Advanced Replacement Warranty

Newline has one of the best warranty programs in the industry. Not only do we provide 3-years of coverage, but it is an all inclusive advanced replacement warranty. That way your progress and productivity is not affected by technology defects.

On Demand Training

Want to give your staff the flexibility they need for training? Newline offers on demand training for all of our customers. Each user gets their own account and may choose which content they want to learn.

Our videos are no longer than 5 minutes each.

OUR PARTNERSHIPS

Newline is committed to providing the best user experience possible, which includes partnering with the best technology companies. We are proud to sell innovative products that incorporate their expertise to make interactivity easier than ever!

A Partnership for Education

Newline is proud to be named a Google for Education Partner, leveraging the Newline Engage Cloud software with Google Cloud to deliver collaboration solutions for businesses and schools.

Powerful On-Board Computers

Newline's OPS On-Board Computers come with powerful Intel processors, providing customers with an all-in-one computing solution.

logitech

Logitech provides camera and microphone options that easily integrate with all of Newline's touch solutions.

Newline and Crestron have teamed up to bring you the complete solution for your interactive displays.

Clickshare is an agnostic meeting solution for starting video calls from your laptop, working with all UC clients.

Adjust your Newline display with BalanceBox's options for wall mounts and mobile stands, some even motorized.

The versatile, configurable and durable Anywhere Cart mobile stands provide high quality classroom solutions. Fits up to 86"

Newline displays.

Enhance your Newline interactive touch display with a versatile Mooreco mobile cart solution to provide you mobility.

Provide financing solutions to your Newline customers through TEQlease, giving additional purchasing options.

MERLYN MIND

Merlyn Mind's in-classroom generative Al chat rewards student curiosity, encourages higher-order thinking, and makes students excited about learning.

Coirle provides teachers with an intuitive platform to use, create, share, and deliver dynamic, interactive activities that will engage, motivate, and inspire students.

Legrand | AV offers audiovisual products including flat panel mounting solutions, projector mounts and more to Commercial AV markets.

Peerless-AV provides industry leading fixed mount and mobile stand solutions designed to improve your Newline experience.

DisplayNote

DisplayNote is a leading technology company that creates intelligent collaboration solutions for education and enterprise.

FROM OUR CUSTOMERS

Mark Baratta

Director

Computing

University of Washington

"People here have found the X7 to be very easy to use—so easy that they often do not need assistance from local technical support. This of course means that those of us doing technical support like the X7 a lot!"

Kelly McClure

Director
Information Technology Services
Eifler Advisory Group

"What Newline does for us is simplify the footprint for instructional technology. I can have one device and that one device does everything that I need. If you're looking to create a smaller footprint in your instructional technology platform, then Newline is absolutely the way to go."

Tim Salm

Director Robinson Memorial Library Saint Joseph's College

"In a generation that has grown up with the iPhone and touchscreen technologies, the Newline interactive touchscreen makes sense to students and they respond positively (and intuitively) to it."

Chris Severson

Executive Dean
Education Services
Mid-State Technical College

"Mid-State Technical College is pleased with this product and partnership with Newline. We look forward to growing our relationship and seeing the future possibilities from the company."

Each year, Newline shatters it's goals and gets recognized for it. Trust a brand that consistently receives accolades from industry experts on innovatie design, relevant product features, and company growth.
