

Google EDLA Certified

USB Type-C with up to 100W Power

Android 13 OS with User Profiles

4K Wide-Angle Al Camera (Optional)

with Wi-Fi 6

Better Connectivity Superior Capacitive Touch (P-CAP)

**Immersive** 4K UHD Display

Compatible with all Devices

Experience seamless collaboration with the Google EDLA-Certified Newline Z Pro Series. Tailored for campus and college classrooms and lecture halls, the Z Pro delivers secure, immersive, and impactful instruction. Google EDLA Certification ensures effortless and secure connectivity to Google accounts, Workspace applications and the Google Play store, with robust security features like password protection, two-step authentication, and data encryption.

Powered by Android 13, the Z Pro offers lightning-fast performance, exceptional response times, and top-notch security. The built-in Wi-Fi 6 module enhances capacity, security, and efficiency. User profiles simplify device management, and the SDM-S Expansion Slot allows for onboard computer (OPS) integration. No matter your OS of choice, the Z Pro works in your world.

The 4K display of the Z Pro, with optical bonding technology and a 178° viewing angle, ensures clear images from any position. An 8-microphone array and dual 20W speakers enable effortless content presentation. The optional 4K Al Camera, with a tiltable design, wide-angle view, and auto-framing, works with Zoom, Google Meet, Teams, and Webex and more.

Streamline connectivity with Plug & Play USB-C, offering up to 100W power delivery. The Z Pro supports up to 40 touch points, features Palm Rejection Technology and antimicrobial glass, and includes a Proximity Sensor that will power on/off automatically based on human presence in the room.

The UC-Ready Z Pro comes with an OPS unit integrated right into the display, no extra devices needed, and a 4K Al camera for the ultimate collaboration solution.
