

Official Statement from Newline Interactive, Inc.

Newline Interactive, Inc. is pleased to announce an enhanced global partnership with APP Dynamic in 2025. As part of this collaboration, we are utilizing the AirServer APK application, developed by APP Dynamic, in full compliance with all applicable terms and conditions.

AirServer has significantly contributed to our operations, enhancing productivity and delivering exceptional experiences to our customers. Our relationship with APP Dynamic has been built on mutual trust, technical exchange, and a shared commitment to innovation and quality.

We highly value this partnership and look forward to continuing to strengthen and expand our collaboration in the future.
