Next-generation Borderless Non-touch Display

The Newline STV+ Series is powered by an advanced chipset that dramatically enhances CPU and GPU performance, boosts energy efficiency, elevates multimedia capabilities, and provides superior connectivity and support for cutting-edge features.

Featuring 4K Ultra HD resolution, an ultra-thin bezel, and High Dynamic Range (HDR), the STV+ offers users an even more immersive audiovisual experience.

Experience seamless team collaboration with the Newline STV+ Series. Effortlessly share ideas across Windows, Mac, Android, and iPhone devices in any setting, ensuring everyone stays connected and engaged.

The Newline STV+ Series offers quick HDMI switching, USB document access, and seamless integration with Newline Signage Pro, making it a versatile and powerful digital signage and communication tool.
