Transform Your Work and Classroom Experience with Newline

In today's dynamic work and educational environments, technology and visual engagement are essential catalysts for success. They not only facilitate rapid information exchange but also boost focus, interaction, and overall productivity.

Enter Newline—the ultimate bridge between traditional and virtual collaboration. Unlock intuitive tools that empower you to craft immersive and dynamic workspaces and classrooms. With Newline, innovative collaboration solutions are at your fingertips, streamlining meetings and revolutionizing teaching methods.

Inspire active engagement among colleagues and students, cultivating a culture of impactful collaboration! Discover our acclaimed interactive displays, desktop devices, and cutting-edge software. Partner with Newline for unmatched efficiency and innovation across all your operations.

✓ **ALL-IN-ONE AND HYBRID SOLUTIONS**

✓ **43" UP TO 98" INTERACTIVE DISPLAYS**

✓ **CONNECT ANY DEVICE OVER A NETWORK**

✓ **FREE SOFTWARE, TOOLS AND APPS**

✓ **COMPATIBLE WITH ALL PLATFORMS**

✓ **SECURE, SAFE AND FUTURE-PROOF**

Experience the power of the **EDLA-certified Solution**

With Google EDLA certification, users can securely log in to their Google Account on the Newline series products, ensuring safe and hassle-free access to Google Play and Google Workspace.

ANDROID 13, THE **SECUREST** OPTION!

Safe, better, and faster than ever, meet Android 13. For the development of this OS, security has been the main focus. Due to several small but important features and changes, Android 13 has improved privacy and the protection of user data from malicious apps and games.

ANTIMICROBIAL GLASS SAFE, SAFER, **SAFEST!**

In most offices, interactive displays have multiple users presenting and collaboration on the same display, causing germs to easily spread. Newline has implemented a TÜV certified antimicrobial coating on the touch surface to protect you!

IDEAL SOLUTION FOR INTELLIGENT CLASSROOMS

Introducing the **Newline S Pro series** for dynamic classrooms, featuring collaborative tools and connectivity options to create interactive learning spaces. With paper-like writing tech and powered by Android 14 with 8GB RAM and 64GB ROM, lessons come alive effortlessly.

ACCESSORIES

Add a camera to any Newline display to be distance or hybrid learning-ready in a flash. Expand your Newline ecosystem with the Modular 4K Camera, Modular Mic Array, or Document Camera. An easy-to-install camera instantly prepares you for your impromptu video lessons, project presentations, or immersive lessons. Save yourself from countless hours of research on "the best tech camera." The best options for your Newline display are right here!

WALL MOUNT

Keep your display sturdy on the wall with the standard Newline wall mount.

The light, compact design makes it easy to install while providing strength and durability.

4K AI CAMERA

- ✓ 4K AI Camera
- ✓ Auto Framing
- ✓ Connect via USB
- ✓ Tilttable Camera design
- ✓ 120° field of view
- ✓ Plug & Play Design

Adjust your display height so that your audiences can touch and interact directly with the screen.

MOBILE STAND

ON-BOARD COMPUTERS

Plug & Play Computers for Your Display

Support your campus and classrooms with computers that make teaching easier and learning more engaging. Fill your display's OPS slot with an on-board computer powered by Intel that brings you all the power of a desktop computer. No more worrying about cables or going through the steps of connecting a laptop or desktop directly to the display.

- ✓ JAE 80pin supports HDMI2.0, external interface supports HDMI 1.4

newline **CAST**

SIMPLE, SMART AND SECURE SCREEN SHARING

Newline CAST is the most flexible solution for wireless screen sharing and is integrated into all Newline interactive displays. In seconds you can easily share any screen over any network or use the secure mode for in-room casting. A genuinely hassle-free solution that allows multiple presenters to share screens, videos, links, and files. Bring your meetings to life with the world's number-one web-based casting solution!

Support for all devices and streaming protocols:

newline **BROADCAST**

THE ULTIMATE SUPPORT WITH YOUR **HYBRID WORKSPACE**

Newline Broadcast is a robust streaming tool to share content from your Newline interactive display to a connected participant.

Use Broadcast and your favorite conferencing software and allow anyone to view the displayed content from their device.

newline LAUNCH CONTROL

EASY ONE-TOUCH VIDEO CALLS

You can start any video call from your mobile device with one OR scan and touch! Either scan the or-code on the interactive display and connect wirelessly via Bluetooth. Your calendar appointments are visible through connection via your Office 365 account and Google account. This way, you can start your video meeting with all your personal documents. Launch Control is designed for easy and personalized access to your Newline Interactive display.

Support for videocall services:

newline DISPLAY MANAGEMENT PLUS

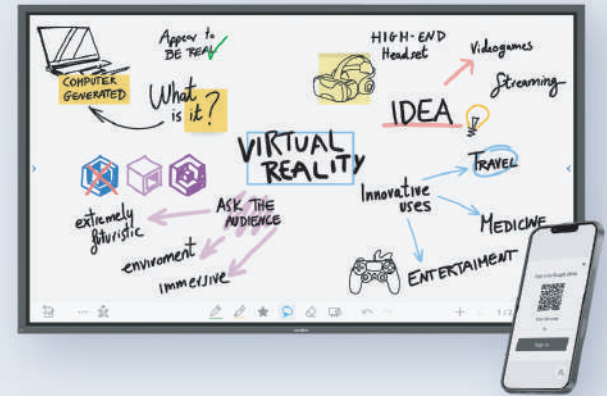

MANAGE ALL YOUR INTERACTIVE DISPLAYS

You can manage all your Newline interactive displays from anywhere through a dedicated and secure web portal. Easily control and install Apps, configure the parameters of Newline interactive displays, use the digital signage function, or transmit important messages to all interactive displays. This innovative tool even allows IT administrators to remotely support users with voice and video.

newline WHITEBOARD

MOST USED APP! FULL OF PRACTICAL TOOLS

Unmistakably one of the most important tools when using an interactive display, the whiteboard app. Just power up the display and the Newline whiteboard is ready to use. Import images from the web straight into the whiteboard, open documents, use mapping tools, sticky notes, save annotations with the QR code into Google Drive and lots more!

newline ENGAGE

EASY PRESENTATION AND COLLABORATION SOFTWARE

Preparing your presentation seldomly starts from scratch. Digital content is all around us. Newline Engage is an easy to use interactive software with which you can natively import your existing content like IWB, images, video, PDF, PowerPoint, text, shapes and much more. Use one of the free templates or use the whiteboard on the go. Easy!

newline **SIGNAGE PRO**

A FULLY **INTEGRATED**, ADVANCED **DIGITAL SIGNAGE** SOFTWARE

Newline Signage Pro is an advanced digital signage software designed to make content management and deployment simple and efficient. Newline Signage Pro comes fully integrated for Q Pro & STV+, providing a complete digital signage solution for schools and businesses.

newline **SECURE**

A COMMON **ALERTING PROTOCOL** **(CAP)** INTEGRATION SOFTWARE

Newline Secure is a Common Alerting Protocol (CAP) integration software that offers robust security alerting capabilities, enabling organizations to receive and process CAP messages from third-party security platforms like Singlewire Informa-cast and Centegix CrisisAlert.
