UNMATCHED POWER. UNSTOPPABLE COLLABORATION.

Newline Interactive proudly introduces the Q Pro Elite Series, the newest member of its flagship Q Pro line, designed to deliver unmatched performance and engagement in classrooms and educational spaces. Packed with upgraded hardware, the Q Pro Elite raises the bar with 16GB of RAM and 256GB of storage, offering faster processing and ample space for applications, lessons, and collaboration tools. Running on Android 15, it provides a future-ready, secure, and highly customizable platform for educators and campus staff.

The Q Pro Elite also enhances communication and collaboration with a built-in 8-mic array, ensuring crystal-clear audio pickup for hybrid learning and video conferencing. A built-in NFC card reader streamlines user access and personalization, allowing multiple profiles and quick sign-ins with a simple tap. Combined with its USB-C port with 100W power delivery, the Q Pro Elite supports faster charging and expanded connectivity, making it easier than ever to plug in, power up, and get started.

For an even more immersive experience, the Q Pro Elite features an enhanced sound system with dual 25W speakers and a powerful 20W subwoofer, delivering rich, room-filling audio that makes every lesson or presentation more impactful. From its performance-driven upgrades to its intuitive design, the Q Pro Elite Series empowers educators and students to connect, collaborate, and create like never before.
