POWERFUL **MOBILE** DISPLAY SOLUTION

Bring brilliant visuals anywhere with the Newline DV Go, the ultimate transportable display solution built for mobility without compromise. Designed for performance, protection, and portability, the DV Go makes it easy to create a big impact wherever you go.

Choose between two versatile models to fit your needs. The 108" Raise-from-Case Display sets up in seconds, lifting directly from its integrated rolling travel case for effortless deployment. For an even larger impact, the 135" Raise-and-Unfold Display raises and unfolds smoothly into position from its built-in, case-mounted stand, delivering an impressive viewing experience anywhere your work takes you.

With 1000 nits of brightness, fine pixel pitch, and HD clarity, your content stays vivid and clear—even in bright environments. The all-in-one HDMI control streamlines setup, while the durable integrated rolling case protects your investment from travel to deployment.

From trade shows to training, boardrooms to ballrooms, the DV Go delivers large-scale performance in a compact, mobile form. Wherever your next presentation takes you, the DV Go is ready to roll.

Newline DV Go Direct View Mobile LED Display Specifications

Model	DV-108GO	DV-135GO
