# THE INTERACTIVE **ECOSYSTEM** FOR YOUR WORKPLACE

Welcome to the Newline Display Ecosystem, a comprehensive suite of audio-visual technology solutions designed to enhance collaboration and productivity. This intelligent and flexible workspace helps you work more efficiently, faster and better. With the option to build your technology ecosystem or integrate with your current system—Newline streamlines your workplace technology.

We believe that truly impactful and innovative products should be easy for anyone to use. Each Newline solution was purpose-built with simplicity in mind, making each product user-friendly and completely non-proprietary.

The work landscape may be constantly evolving, but our commitment to your success by providing solutions to your everyday needs will never change. From our award-winning interactive displays and desktop devices, to our cutting-edge software and accessories—Newline is the premier technology partner for your business.

## TRANSFORM YOUR WORKPLACE

*Newline is a one-stop shop for business. Our all-in-one solutions and accessories give you all the innovative tools you need.*

Newline focuses on creating products that help you work more efficiently. From our award-winning and easy-to-use interactive touch panels, to our innovative desktop solution and wide range of software, Newline has everything you need to bring success into your business.

### Easy for Anyone to Use

If a solution isn't easy to use, we won't bring it to the market. All of our products are designed with you in mind and it is the key to our success.

### Completely Non-Proprietary

We work in your world. No matter what software or hardware you want to use, our solutions give you the freedom to collaborate how you choose.

### Newline is Number 1!

Newline is the largest manufacturer of interactive displays in the United States. Our business model keeps us growing like none other.

#### 2025 USA Market Share

***"We Help Your Business  
Make an Impact"***

## We Own the Factory

Newline has complete control over product improvements and how much is produced. We listen to our clients and their needs to make sure the products we provide help them succeed.

## Well-Stocked Local Warehouses

With warehouses in strategic places across the country, Newline gets displays to their destination faster than ever with same and next day shipping. You'll never have to worry about if Newline can fill an order.

# Q Pro Elite Series

## Secure Access with NFC Card Reader

With a simple tap on the Q Pro Elite's built-in NFC card reader users can log in to their profiles, instantly pulling up preferred settings, apps, and files.

## Built-in 8 Mic Array

The Q Pro Elite's built-in 8-mic array ensures every voice is heard with clarity, whether in a large lecture hall, boardroom, or hybrid meeting.

## 25W Speaker & 20W Subwoofer

The Q Pro Elite features dual 25W speakers and a 20W subwoofer, delivering rich, room-filling audio that enhances presentations, lessons, and multimedia content.

Newline Interactive proudly introduces the Q Pro Elite Series, the newest member of its flagship Q Pro line. With 16GB of RAM, 256GB of storage, Android 15, an 8-mic array, NFC card reader, USB-C with 100W power delivery, and dual 25W speakers with a 20W subwoofer, the Q Pro Elite combines speed, connectivity, and immersive audio for seamless collaboration.

Secure Access with NFC Card Reader

### Digital Signage Compatible

Effortlessly broadcast to every display in your organization with built-in Newline VCS, meeting all your digital signage and visual communication needs.

# XRT Series

## IP56-rated Weatherproof Construction

The IP56-rated, fully weatherproof construction of the XRT Series is designed to withstand rain, dust, and harsh outdoor conditions year-round.

## Ultra High Brightness for Outdoor Visibility

Ultra-high brightness ensures content remains clear, vibrant, and easy to read—even in direct sunlight or high-ambient-light environments.

## Designed for All-Season Outdoor Use

Designed for all-season outdoor use, the XRT Series delivers reliable performance throughout the year in changing weather conditions.

**NEW!** The Newline XRT Series brings Newline's trusted performance outdoors with a fully weatherproof, ultra-bright display designed for year-round visibility. Available in sizes from 43" to 86", the XRT Series delivers clear, vibrant content even in direct sunlight—making it ideal for outdoor learning spaces, patios, campuses, storefronts, and public venues.

# ON-BOARD COMPUTERS

## Plug & Play Computers for Your Display

Upgrade your operating system with a dedicated on-board computer. Bypass connecting or casting a laptop with the integrated OPS.

Fill your display's OPS slot with an on-board computer that brings you all the power of a desktop computer right to your display.

As your organization continues to grow and demands more power, the OPS is easily swappable for a more powerful version.

# DV SERIES

## Discover the lineup of Newline's Direct View LED Solutions

The Newline DV Series presents a comprehensive lineup of cutting-edge LED display solutions designed to redefine visual experiences. From the DV One+ with its sleek, all-in-one design, to the DV Element boasting over 6000 nits of brightness for outdoor settings, each product in the lineup offers unmatched performance and versatility.

With innovative technologies and stylish designs, the Newline DV Series caters to a diverse range of applications, ensuring immersive and impactful visual presentations in any setting.

### DV ONE<sup>+</sup>

The new DV One+ is the ultimate upgrade to the DV One. Featuring RS-232 and IP control, Wake-on-LAN/Wi-Fi, and remote management via Newline Display Management Plus. Its sleek, soundbar-less design with hidden ports ensures a polished look, while Android 13, an upgraded chipset, and an intuitive Calibration App tool enhance performance, ease of use, and maintenance.

#### Product Part Numbers

135" - DV-13524-PLUS  
189" - DV-18924-PLUS

163" - DV-16324-PLUS  
216" - DV-21624-PLUS

### DV PRO

The DV Pro LED Solution represents a breakthrough in display technology, combining unparalleled durability with stunning visual performance in an affordable package. Utilizing a cutting-edge glue on board (GOB) construction, this series offers exceptional reliability, making it ideal for a wide range of applications including indoor advertising, conference rooms, controls rooms and more.

#### Pixel Pitch

1.25 mm      1.5625 mm      1.875 mm      2.5 mm

# DV PREMIER

The DV Premier is a high-performance display that utilizes Chip On Board (COB) technology for improved stability, brightness, and durability. With a pixel pitch as low as 0.93 mm, it delivers stunning visuals with ultra-high contrast, vivid colors, and wide viewing angles. Designed for long-term reliability, it features low thermal resistance, energy-saving capabilities, and easy front maintenance for a hassle-free experience.

## Pixel Pitch

0.93 mm      1.25 mm      1.56 mm      1.87 mm

# DV PREMIER<sup>+</sup>

Experience cutting-edge performance with the DV Premier+, Newline's most advanced COB LED display to date. Available in multiple pixel pitch options (0.625 mm, 0.78125 mm, 0.9375 mm, 1.25 mm, 1.56 mm, 1.875 mm) the DV Premier+ delivers flexibility for a wide range of applications. Boasting 1,000 nits of brightness and a stunning 15,000:1 contrast ratio, the DV Premier+ ensures vibrant, crystal-clear images with lifelike detail.

## Pixel Pitch

0.625 mm      0.78125 mm      0.9375 mm      1.25 mm      1.56 mm      1.875 mm

# DV ELEMENT

The DV Element is Newline's first LED solution for outdoor use. Engineered with high-quality LED modules that offers over 6000 nits of customized brightness and designed to withstand a variety of weather conditions, the DV Element ensures brilliant illumination and vibrant colors, even in direct sunlight, making it perfect for outdoor advertising, sports arenas, and large-scale events.

## Pixel Pitch

1.95 mm	3.91 mm	6.67 mm
2.604 mm	4.44 mm	8 mm
2.97 mm	5.7 mm	10 mm

# DV GO

The Newline DV Go is a transportable LED display that delivers stunning visuals anywhere you need them. With an integrated rolling travel case and easy setup design, it brings big-screen performance on the move. Featuring 1000 nits of brightness, fine pixel pitch, and HD clarity, the DV Go ensures every presentation shines with professional impact.

## Product Numbers

DV-108GO      DV-135GO

# DV GO POSTER

The Newline DV Go Poster is a portable, ultra-high-definition digital signage solution built for dynamic, ever-changing spaces. Its durable COB technology provides waterproof, anti-collision, and moisture-proof protection for reliable performance anywhere. With networked control, offline playback, and the ability to combine multiple posters into a larger display, it delivers flexible, high-impact messaging on the move.

# SOFTWARE SOLUTIONS

## Software to Transform Workspace

Newline's dedication to providing the complete solution to the workplace needs does not stop with the hardware. Our software solutions round out the ecosystem with tools that provide superior synchronous and asynchronous communication support.

Always evolving and always updating, many of these solutions are pre-installed on the Newline flat panels.

Talk with your Newline Sales Manager to determine the best software package for your organization's needs.

All Newline Software Solutions are compatible with:

### SIGNAGE PRO

#### Effortless Digital Signage

- ✓ Comprehensive online admin portal
- ✓ Streamlined registration process and device grouping
- ✓ Simple Scheduling & auto launch features
- ✓ Versatile pre-defined layouts with user-friendly content and text creation
- ✓ Rich content support with live feed integration
- ✓ Google Slides, Google Calendar & Canva integration
- ✓ Fully Integrated with Q Pro & STV+

### SECURE

#### Real-Time Emergency Notifications

- ✓ Receive CAP messages from 3rd party platforms
- ✓ Customizable subjects, descriptions, and backgrounds
- ✓ Google & Microsoft Single-Sign-On support
- ✓ Bulk register displays with Zero Touch Enrollment
- ✓ Choose where to send alerts with Group Management
- ✓ View history of alerts with Alert Auditing Log
- ✓ Integrates with Singlewire, Centegix and more

## Instant Language Translation

- ✓ Newline + TranslateLive's Instant Language Assistant (ILA), delivers real-time language translation right from the panel.
- ✓ Instant speech-to-text, text-to-speech, and speech-to-speech translation in over 200 languages and dialects—including 120+ with accent selection—in under one second.
- ✓ ILA is the only translation solution combining AI with intelligent, customizable design to provide accurate, secure, and private translation.

## ENGAGE CLOUD

### Cloud-Based Whiteboarding

- ✓ Online, cloud-based interactive whiteboard for remote, hybrid and in-person collaboration.
- ✓ Real-time collaboration allows users to interact on a single whiteboard while easily sharing content such as PDFs, photos, audio and video.
- ✓ Device agnostic, Newline Engage Cloud works on Newline panels as well as tablets, Chromebooks, mobile phones, and more.

## DISPLAY MANAGEMENT PLUS

### Remote Management

- ✓ Centrally manage your Newline interactive displays from any location through a secure and dedicated web portal.
- ✓ Easily manage and deploy apps and configure Newline display settings.
- ✓ Use the digital signage features or broadcast messages to all displays.

## LAUNCHER

### All-In-One Meeting Solution

- ✓ Walk up and start your meetings with a one-touch solution that keeps your computer and network secure.
- ✓ Easily access approved apps, view the room's calendar, and start a videoconferencing call - all with one button!

Launch Control supports:

## CAST

### Wireless Screen Sharing

- ✓ Easily share your screen from any device.
- ✓ Newline Cast is simple to use, with one click you can present wirelessly from any network.
- ✓ Control and annotate from the Newline display or from your own device all with the freedom to walk around the room.
- ✓ Present up to 4 screens simultaneously.

## BROADCAST

### Content Sharing

- ✓ Tap one button and share your display screen with team members who may not be able to see the display clearly.
- ✓ They can follow along on their own personal screen, reducing eyestrain and making sure everyone gets the most out of the meeting and presentation.

## Powerful On-Board Computers

Newline's OPS On-Board Computers come with powerful Intel processors, providing customers with an all-in-one computing solution.

## A Bundle for the Virtual World

Microsoft Windows Whiteboard leverages the power of touch to bring lessons and whiteboarding sessions to life.

Logitech provides camera and microphone options that easily integrate with all of Newline's touch solutions.

Newline and Crestron have teamed up to bring you the complete solution for your interactive displays.

The versatile, configurable and durable Anywhere Cart mobile stands provide high quality classroom solutions. Fits up to 86" Newline displays.

Enhance your Newline interactive touch display with a versatile Mooreco mobile cart solution to provide you mobility.

The Newline Q Pro & Z Pro are Extron certified. Enjoy seamless integration, streamlined setup, and reliable performance for a fully connected AV experience.

Adjust your Newline display with BalanceBox's options for wall mounts and mobile stands, some even motorized.

Merlyn Mind's in-classroom generative AI chat rewards student curiosity, encourages higher-order thinking, and makes students excited about learning.

Provide financing solutions to your Newline customers through TEQlease, giving additional purchasing options.

TranslateLive is your enterprise-ready, complete AI language toolbox—solving real-time communication challenges in over 220 languages and dialects.

Coirle provides teachers with an intuitive platform to use, create, share, and deliver dynamic, interactive activities that will engage, motivate, and inspire students.

Legrand | AV offers audiovisual products including flat panel mounting solutions, projector mounts and more to Commercial AV markets.

Peerless-AV provides industry leading fixed mount and mobile stand solutions designed to improve your Newline experience.

DisplayNote is a leading technology company that creates intelligent collaboration solutions for education and enterprise.

# FROM OUR CUSTOMERS

**John O'Hara**

*Director of Technology  
National Flight Academy*

"The 28 Newline touchscreens have been instrumental in setting the immersive tone at the National Flight Academy. Our students depend on these touchscreens as they plan, brief and coordinate each of their missions. The National Flight Academy has been extremely pleased with their performance."

**Tom Eifler, Jr.**

*President  
Eifler Advisory Group*

"With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand."

**Eric Matthews**

*Director of Information Technology  
City of Allen*

"Newline panels provide a consistent, high-quality conference room and video conference experience for our employees that is simple to use."

**Jay Arbette**

*Senior Vice President  
UBS Financial*

"Newline has significantly improved communication with our clients. The more clear our communication, the stronger relationships we build to grow our business."

## Stability

With a steady financial revenue growth, you don't have to worry that the company you're working with will go out of business anytime soon. They'll be able to continue honoring warranties and providing you service for years to come.

## Security

A proven track record of success means you don't have to worry about receiving anything less than the best. An Inc. 500 ranked company will make sure you are taken care of and satisfied.

The background of the image features a large, abstract graphic element consisting of three overlapping circles. The top circle is dark blue, the bottom-left is white, and the bottom-right is a light blue. Overlaid on these circles are three sets of wavy lines in red, purple, and blue, which flow from the left side towards the right, creating a sense of motion and depth.
