President
Eifler Advisory Group

"With the whiteboard feature, to be able to actually talk about ideas and concepts, I feel like people are very visual, so if you can draw it out and show it to them, it really settles in and helps them understand."

Eric Matthews
Director of Information Technology
City of Allen

"Newline panels provide a consistent, high-quality conference room and video conference experience for our employees that is simple to use."

Jay Arbetter
Senior Vice President
UBS Financial

"Newline has significantly improved communication with our clients. The more clear our communication, the stronger relationships we build to grow our business."
