SMARTER COLLABORATION, BUILT-IN SECURITY

The S Series is designed to make collaboration simple, secure and efficient in modern classrooms, meeting rooms and shared workspaces. Powered by Android 16, it offers a smooth and intuitive user experience, while Certified Zero Bonding technology provides precise, natural writing for lessons, presentations and brainstorming sessions. Its panel with wide colour gamut, anti-glare ensures clear, comfortable viewing throughout the day. The S Series brings together the essential tools users need for productive collaboration. Broad compatibility make it a flexible solution that can adapt easily to different environments and future requirements.
