All Stars

Elara is the eighth largest moon of Jupiter. And with a size of only 2% of Europe, the smallest of the four Galilean moons.

DESIGNED TO CONNECT, INSPIRE AND PERFORM

Elara Ultra, redefines the interactive display experience with a powerful combination of premium performance, intelligent collaboration tools and effortless connectivity. Designed for modern classrooms, meeting rooms and professional environments, it brings together Android 16, Google EDLA certification, advanced touch technology and the complete Newline Interactive Ecosystem in one elegant, future-ready solution.

MODULAR SYSTEM

Elevate your experience with our universe of solutions. Customise your display with Newlines' accessories. Mix and match to create the perfect fit.

NEWLINE INTERACTIVE ECOSYSTEM

The Newline Interactive Ecosystem enhances productivity with versatile tools that seamlessly integrate with any software or device, meeting all classroom needs.
